

FOR IMMEDIATE RELEASE

## IBAC Approves ARGUS Training For Prospective IS-BAO Auditors

Cincinnati, Ohio, January 5, 2016

ARGUS International, Inc. (ARGUS) is pleased to announce that the International Business Aviation Council (IBAC) has approved the ARGUS Aviation Lead Auditor Training (ALAT) for prospective IS-BAO auditors in accordance with the [IS-BAO Policy 2015-2](#).

This course is designed to deliver comprehensive training that provides pertinent knowledge and practical tools necessary to conduct many types of aviation audits including: internal, external, third party and airline codeshare. The course is based on ISO 9000 principles.

The ALAT workshop aims to enhance students' knowledge and understanding of:

- Lead Auditor core competencies, duties and responsibilities
- Practical exercises to provide emphasis on proper technique for quality auditing
- Planning and conducting successful audits
- Working and interacting seamlessly with audit teams
- Quality management principles
- Principles of continual improvement
- Writing audit reports

Additional information and registration for 2016 ALAT courses are available at:
