

Air Agency Certificate

KINGDOM OF SAUDI ARABIA GENERAL AUTHORITY OF CIVIL AVIATION

Certificate Number:

AMO-355F

This Certificate is Issued to:
**Air Works India Engineering
Pvt. Ltd. Bangalore (BLR)**
Whose Primary address is:
**Kempegowda International
Airport, Devanahalli, Bengaluru-
560300 Karnataka, India**

This certificate unless cancelled, suspended, or revoked shall continue in effect until:

09 May 2021

Upon finding that its organization complies in all respects with the requirements of the General Authority of Civil Aviation Regulations relating to the establishment of an Air Agency, and is empowered to operate an approved Repair Station under **GACAR Part 145** with the following rating:

- **Limited Airframes (01/09/2020)**

Subject to the conditions, and limitations specified in the Operations Specifications.

This certificate is not transferable and any changes in the basic facilities, or in the location thereof, must be immediately reported to the appropriate office of the General Authority of Civil Aviation.

**Date of Original
Issuance:**

22 June 2013

Date of Issuance:

01 September 2020

Abdulhadi Bin Ahmad Al-Mansouri
The President of General Authority of Civil Aviation
Kingdom of Saudi Arabia

OPERATIONS SPECIFICATIONS

A3. RATINGS AND LIMITATIONS.

- a. The certificate holder is authorized to perform maintenance, preventative maintenance and alterations under the limited ratings specified in Table 1 below subject to the provisions of GACAR Part 145 and the limitations specified:

Table 1 - Limited Ratings

| Ratings | Make | Model | Limitations |
|----------|--------|----------------------|--|
| Airframe | Airbus | A320-214 A330-343 | Limited to the performance of in-service check, in transit check, pre-departure check, daily check, walk around check, defect rectification and line replacement unit. Engines as installed limited to the performance of line maintenance only. Maintenance to be accomplished in accordance with manufacturer's current technical data, air carrier's manual and/or operators approved maintenance program or other technical data acceptable to GACA. |
| Airframe | Boeing | B777-368ER | Limited to the performance of in-service check, in transit check, pre-departure check, daily check, walk around check, defect rectification and line replacement unit. Engines as installed limited to the performance of line maintenance only. Maintenance to be accomplished in accordance with manufacturer's current technical data, air carrier's manual and/or operators approved maintenance program or other technical data acceptable to GACA. |

- b. The certificate holder is authorized to perform the following specialized services in Table 2 below in accordance with the specified specification and subject to the provisions of GACAR Part 145 and the limitations specified:

Table 2 - Limited Ratings, Specialized Services
