Air Works' B&GA MRO Division Receives Another Series of DGCA Approvals this Week

Air Works India (Engineering) Pvt. Ltd. (Air Works) received yet another series of approvals this week from the Directorate General of Civil Aviation (DGCA) in India, continuing its record of achieving significant approvals in recent times, a testament to its position as India's best Maintenance, Repair and Overhaul (MRO) provider.

These are:

1. DGCA CAR-145 Base approval on Bell 429 helicopters at Patiala
2. DGCA CAR-145 Base approval on Bell 429 helicopters at Greater Noida
3. DGCA CAR-145 Base approval on Bell 412 helicopters at Greater Noida
4. DGCA CAR-145 Base approval on Bell 407 / 407GX helicopters at Greater Noida
5. DGCA CAR-145 Base approval on Augusta A 109E helicopters at Greater Noida

About Air Works

Founded in 1951, Air Works provides engineering, asset management and safety and technology solutions to the commercial and business aviation communities. We are service providers to global aircraft leasing companies and airlines, first-line service providers to leading OEMs, 1 of only 7 IATA certified safety auditors, a global market leader for charter safety ratings, and the largest independent MRO provider in India.
